

The image shows the front cover of a yearbook. The background has a vertical wood grain texture. Two decorative horizontal bands, resembling metal or leather with circular studs, run across the top and bottom. The title "Echo 1950" is embossed in the center in a stylized, cursive font. The corners are reinforced with a darker material featuring circular patterns.

CALDWELL HALL

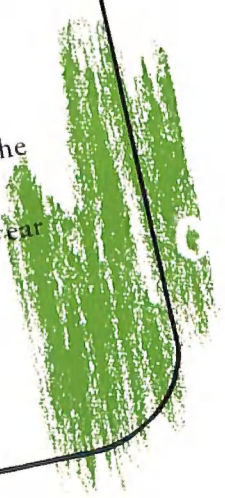

Presentation

To the classes of 1950 and 1951:

This is your scrapbook of memories.

On its pages are pasted vivid recollections of the past year including the picnic at La Vista, the long-awaited George Washington banquet, trips to the cabin, voluntary sports, and finally, graduation.

We, the annual staff, present it to you, hoping that the remembrances it portrays will help you to relive this year many times in the future.

Dedication

Monticello's scrap-book would hardly be complete without recognition of the teacher who for twenty-five years has given her time and energy to make Monti a place

not to be forgotten. Therefore, the Echo staff of 1950 dedicates this book to Miss Lucretia Cressey. Chairman of the Department of Natural Sciences and teacher of chemistry, she has interpreted God's physical laws to two and one-half decades of classes.

DR. JOHN R. YOUNG

President since 1945, Dr. Young received his B.A. from Marshall College and M.A. and Ph.D. degrees from the University of Illinois.

Besides his college duties, Dr. Young is interested in civic affairs and is a member of the Rotary Club and the board of directors of the American Red Cross and Alton Memorial Hospital. His interest in sports brings him to all the college athletic events as an enthusiastic spectator.

The hospitality of Dr. and Mrs. Young at the Evergreens and all college functions is well-known. His friendly manner has done much to make students feel at home on the campus.

The Board of Trustees

The responsibility for the overall government of Monticello College is entrusted to the Board of Trustees, a group of nine men and women, each elected for eight years and meeting on campus every two months.

Chairman of the Board is Eben Rodgers, president of the Board of the Alton Brick Company, with Mrs. Spencer T. Olin (Ann Whitney, '25) as secretary.

The other members of the board are Philip S. Harper of Chicago; Mrs. Theodore S. Chapman, whose late husband was once chairman of the board; Mrs. George Sparks Milnor (Alice Ryrie, '11) of Wilmette, Illinois; Marshall Acker, vice-president of Olin Industries, Incorporated, of Alton; D. Howard Doane, chairman of the board of the Doane Agricultural Service of St. Louis; Fred Kuehne, president of Kuehne Manufacturing Company and chairman of the property committee of the college; Dr. John R. Young, Monticello's president and member ex-officio; and Mrs. William Woods Parsons of Terre Haute, who was president of the college from 1910-1918, member emeritus.

Administration

MARY LAING SWIFT
Academic Dean
A.B., Vassar College;
M.A., Columbia University

We shall always remember the wonderful advice which Miss Swift has given us. As Academic Dean, she arranges the school curriculum and examination schedules. She also gives assistance to the students in selecting their courses, giving special attention to transfer requirements.

She is the chairman of the Advising Committee thus having charge of all registration, counselling, and permanent faculty advisers for the students. Miss Swift is faculty adviser to the Student Council.

WENDEL H. BAKER
Business Manager
A.B., University of Missouri

Mr. Baker takes care of all financial matters pertaining to the college. He is business manager of Monticello and treasurer of the board of trustees. He also purchases supplies and has charge of our student bank, where we may make deposits and withdrawals.

Mr. Baker, with the aid of the maintenance staff, also supervises the buildings and grounds and sees that necessary repairs are made.

EUGENIE SMITH
Dean of Women

B.S., M.S., University of Rochester

Miss Smith is responsible for many of our best memories. She has the task of picking compatible roommates for new students. To her is given the responsibility of the administration of social privileges and the supervision of all student residences.

Perhaps Miss Smith's most important duty is to help the girls adjust to the experience of college life. She is faculty adviser to the Student Residence Council.

Administration

MARIAN GEER
Director of Admissions
B.A., Connecticut College

As Director of Admissions, Miss Geer carries on all correspondence with prospective students. She is assisted by field representatives in this responsibility. As she is partly responsible for our being at Monti, she takes a personal interest in each girl and always has a friendly greeting.

WADE T. SEARLES
Director of Development
B.S., Ohio State University;
M.A., University of Chicago

Mr. Searles is in general charge of the public relations program of the college. His particular responsibilities are the Second Century Perpetuation Fund and the Living Endowment.

ERMINA E. BUSCH
Registrar
A.B. University of Illinois

As registrar, Miss Busch has the task of planning and organizing the September registration and the year's schedule with Dean Swift. She compiles statistics on enrollment and classes, receives high school transcripts, and prepares college transcripts. Miss Busch also records and sends out student grades.

Administration

FLORENCE DUREE

Social Director

B.A., University of Nebraska

Mrs. Duree is responsible for all our wonderful memories of teas, receptions, and trips to St. Louis for plays, concerts, and operas. She also supervises dances, the Merry-go-Round, the dining room, and is the adviser to this year's junior class.

JOSEPH A. L. RUSSO
Director of Publications
A.B., Harvard College

Mr. Russo is the supervisor of all college publications. He assists the students in the production of the *Times*, our school paper, and the *Echo*. He does the photography for all publications. All school publicity is under his care.

IRMA DEAN HABERLY

Librarian

B.A., Pomona College;

M.A., Claremont Graduate School

Senior Certificate, Los Angeles Library School;
Graduate Library School, University of Chicago

Mrs. Haberly selects, purchases, and catalogues the new books for our library. She helps students locate books and publications for their studies.

The annual Book Fair in the library is under Mrs. Haberly's supervision. The Fair gives the students a view of the best and latest books and an opportunity to purchase them through the school.

Administration

MARY J. PFEIFFENBERGER
 Alumnae Secretary
 A.A., Monticello College;
 B.A., Wellesley College

As alumnae secretary, Miss Pfeifferberger keeps memories of Monticello alive for those who have gone before us. Besides seeing that every visiting alumna is entertained, she participates in meetings and reunions all over the country.

As a graduate of Monticello, she knows what should go in the Alumnae Bulletin, which she edits. This is published four times each year.

English Department

One memory which all Monticello students hold in common is that of first year English. Juniors are placed in an English course which consists of grammar and composition. They are also acquainted with several contemporary novels, short stories, essays, plays, and poems. Each student is given the opportunity of learning how to read with appreciation and how to express her thoughts creatively both in oral and written work.

A course in Biblical literature is offered covering both the Old and New Testaments of the King James Version. This is taught not from a theological point of view, but rather as a cultural heritage of English speaking people. English literature, a course open to seniors only, is a study of classical literature from the eighth century to the present.

PAUL JOHN COOKE
Chairman
Department of
Foreign Languages
A.B., A.M., Ph.D.,
University of Illinois

In this department two years of French and Spanish are offered, and in Spanish two additional advanced courses are provided: Conversation and Spanish Literature. French Conversation is also available for those prepared for it.

A special room known as the Language Lounge is provided for those who wish to practice conversation and learn more about the peoples who speak the respective languages. Each student is encouraged to visit this lounge to listen to the fine record collection or to read the newspapers in French and Spanish. Novels, dictionaries, and reference books may be found in this cheerful room.

B.S., George Peabody

College for Teachers;

M.A., University of Chicago

The art department develops in the student an understanding and an appreciation in the visual arts and institutes a sound foundation for achievement in the fine or applied arts.

The staff consists of practicing artists, so that each member of the class may receive a maximum of individual instruction in her personal creative efforts.

The basic course in the art department is Art History, consisting of an introduction of art in various civilizations and their contributions to contemporary forms. Students are offered courses in sculpturing, drawing, painting, basic design, interior decoration, and commercial art.

We shall long remember the traveling exhibitions and displays of student work which are shown throughout the year.

LUCRETIA CRESSEY

Chairman

Department of Natural Science

A.B., University of Illinois; M.A., Columbia University; graduate study, University of Chicago and Columbia University

The purpose of the natural science department is to orient the student in the world of life about him. Our department is composed of three main sections; biology, chemistry, and mathematics. Third floor Fobes has well-equipped laboratories to help the ambitious student in her search for knowledge.

The biology division is supervised by Miss Gulick, Miss Hawkins, and Miss Hall. Courses in zoology, botany, and general biology are offered in this section. The classes take field trips, hikes, and trips of exploration. Visits to the St. Louis Zoo are arranged to those students interested.

Miss Cressey and Miss Wilfred are the supervisors of the chemistry department. They teach the students both general and organic chemistry, and qualitative and quantitative analysis. These courses provide a foundation for future study in home economics, nursing, and nutrition, or a continuation in more advanced chemistry.

College algebra is taught by Miss Hall.

Monticello offers courses in the literature and theory of music as well as applied music courses. Musical programs serve to bring performers and listeners together in a congenial atmosphere. Musical performances are given by guest artists, by the faculty, and by students. Arrangements are sometimes made for groups of students to attend concerts in Alton and in St. Louis.

We have a Music Reference Library, which is open to students at all times. This contains a large collection of records and scores, which the students are free to use at any time.

Our choir gives two public concerts annually and makes occasional out-of-town trips. The Glee Club sings with the Choir on all occasions except Vesper Services. The students who qualify for these organizations regard their membership highly. Last year the Choir gave a very memorable broadcast at Christmas time.

Social Science Department

EUGENIE SMITH
Chairman
Department of Social Science

The field of personal and social relationship to man's society and environment is the study of the social science department.

The world's past and its continuing effects are covered in the history courses. Most juniors study European history, while students especially interested in the culture of the United States take American history.

Human life in the social institutions is the field of Sociology. Government and Economics provide the students with a knowledge of the mechanics of modern society.

Different phases of physical education are offered to suit every Monticello girl and to impress the importance of sportsmanship and fair play.

A variety of activities such as archery, badminton, basketball, fencing, golf, hockey, swimming, life saving, modern dance, riding, softball, tennis, and volleyball are offered during the year which is divided into three sports seasons.

Besides regular classes, the department offers an active voluntary sports program. Monticello teams take part in competition games with other colleges.

Highlights of the year were the three sports banquets, the Marlin Pageant, and the Horse Show.

Psychology is the study of the thoughts, feelings and actions of people, an important part of a well rounded education.

Monticello's "psych" classes, taught by Miss Patricia Lock, attempt to give the students the better understanding of the reasons for human behavior.

Speech and Drama Department

Long noted for its drama department, Monticello offers courses in acting, voice and diction, and stage design and direction. Under the guidance of Miss Mary Riggs, students produced the annual children's play, "Little Black Sambo" and "Cradle Song." Sets and costumes were designed and made under the supervision of W. Vladimir Rousseff, technical adviser.

Health Department

JOHN WEDIG, M.D.
College Physician

In our scrapbook there will always be memories of Monti's infirmary. Whether slight or serious, every injury and illness is given prompt and considerate attention by the capable medical staff of the college.

Two graduate nurses are always on call in the infirmary, and three times a week routine calls are made by Dr. Wedig and Dr. Smith. Those patients needing hospital care are covered by a hospitalization plan. Health records are kept on file in the infirmary office for every student.

The spotless, modern infirmary, which was built only last year, helps to make visits pleasant.

Student Council

JOCELYN ELLIS	<i>President</i>
PATRICIA SCOTT	<i>Vice-President</i>
CARROLL SWIFT	<i>Secretary</i>
JANE ADAMS	<i>Treasurer</i>

Monticello's student council carries out the democratic spirit which is a part of our country. Composed of class presidents, house chairmen, Sponsor chairman, Social Committee chairmen, editors of the student publications, and presidents of M.C.A. and M.A.A., it tries to carry out the desires of all students.

The Student Council meets once a week under the supervision of Miss Mary Laing Swift and discusses the problems of the preceding week. With open minds, they try to set up rules and plans that are representative of the entire student body.

Monticello Christian Association

DIANNE BARNHOUSE *President*

To meet the religious needs of its students Monticello has its own Christian Association. Governed by a Cabinet, composed of four elected officers and various committee heads, the group is led by Miss Nancy Walthall.

M.C.A. has several informal meetings a month where students assemble to discuss religion or listen to lectures given by visitors from Alton.

This year's Religious Emphasis Week was sponsored by the M.C.A. in early March. Dr. Marcus Bach of the University of Iowa was on campus that week, speaking at chapel and Vespers, and holding informal discussions in class and private conferences.

M.C.A.'s biggest project this year was the World Student Service Fund drive in which they exceeded their \$650 goal. Sacrifice meals and also parties were given, the proceeds of which went to W.S.S.F.

Of particular interest to M.C.A. was the visit of Miss Sally Brown, a member of the class of '46 and founder of M.C.A. She was greatly pleased with the growth and expansion of M.C.A. and its work since its origin.

*'Tis echo of all those rarest joys
 Which come but once with no grief-alloys*

*An echo of old Monticello life
 Then—of broader fields and a fiercer strife.*

—EMILY GILMORE ALDEN
 in the first Echo, June, 1894

In 1894 when it was first published the Echo was an alumnae magazine; in 1936 it appeared as a student annual with a paper cover and plastic binding.

The Echo describes in pictures and writing the lively beat of Monticello life. In the Echo can be found the spirit of constant expansion and improvement which signifies the spirit of Monticello.

JOAN JACKSON	<i>Production Manager</i>

The Times, records the social, academic, and sport events of the Monticello program from the point of view of the student.

Published bi-weekly, it is given to all students and circulated to the parents, many alumni, and prospective students. Thus they are familiarized with the work and play of the Monticello student body.

Working on the Times are seniors who comprise the ever busy staff. The juniors serve as reporters and writers of sports articles, features, and editorials.

Science Club

MARY ANNE SEARS	President
JANE MCCOY	Vice-President
JOAN HERWECK	Secretary
SHIRLEY WRIGHT	Treasurer
MARY HELEN THOMPSON	Publicity Chairman

Eligible for membership to the Science Club are all students interested in science courses. The aim of the Science Club is to stimulate the students' interest in science and to broaden their general knowledge of physics, chemistry, and biology.

Movies, demonstrations, trips, and lectures by students and faculty provided interesting programs. Outstanding lectures were those on flower arrangement, cosmetic composition, and the principles of chemurgy.

Events of the year included the Science Open House in May, the Christmas dinner at which time popcorn and berries were strung to decorate the birds' Christmas tree, and the picnic in April. Miss Lucretia Cressey is the faculty adviser of the club.

Social Committee

FOSTER, GOULD, KENNEDY

The social program of Monti is directed and regulated by the well-organized Social Committee, which is composed of representative and responsible students who have attained membership by earning points through service to the school during the year. Heading the committee this year were the three co-chairmen, Peggy Gould, Gretchen Kennedy, and Gini Foster.

Sponsors

RONNY GILMORE *Chairman*

Every Monti girl knows from personal experience the value of the Sponsor organization, which helps new students to meet friends and to adjust to college life. From the middle of the summer when friendly and encouraging letters from her Sponsor begin to appear in the mailbox to the end of the school year, each new student feels that her Sponsor is a personal friend to advise, to assist, and to reassure her.

Choir

DIANNE BARNHOUSE	<i>President</i>
NANCY SWOBODA	<i>Vice-President</i>
SUE WHITE	<i>Treasurer</i>
MARY MCFAYDON	<i>Secretary</i>
ANTONETTE PATTULLO.	<i>Librarian</i>

The choir, composed of 55 selected voices, sings at vesper services. During the past year it presented a radio broadcast of Christmas music over KMOX, and appeared in concerts in Alton and St. Louis. Stephen B. Williams is director.

Great Books Club

The Great Books Club was organized two years ago and is this year composed of twenty seven members with Joan DeVito as chairman. Mr. Schweitzer and Miss Cloyd of the English department lead the discussions.

Participation is on a voluntary basis and the members themselves choose the books that they wish to read.

The purpose of the club is to assimilate thinking from such material as The Confessions of St. Augustine, Aristotle's Ethics, selections from the Bible, and The Declaration of Independence.

Thompson, Bell, Petit, Farr, Parrish, J., Maxwell, Neely, Jones, Holderby, Brown, M., Rosenthal, Feight, DeVito.

The Gallery Committee

The Gallery Committee, a new organization, is chosen from girls enrolled in art courses. These members assist the art faculty in arranging and putting up displays.

The committee has brought us such documentary films as *The Four Horsemen of the Apocalypse*, *The Golem*, and *The Plow that Broke the Plains*. Other special events have been Life exhibitions on Egypt, Venice, Emerson's New England, and many others. They conclude the program with their annual final spring show which is comprised of student art work.

The Monticello Ideals

The Echo presents seven members of the class of 1950 who, by vote of their classmates, typify the Monticello ideals. Although each girl is pictured as a representative of one ideal, she personifies each and every one of them.

DIGNITY This is a quality of reserve which comes with emotional, intellectual and social maturity. Dignity is always reflected in the recognition of the fitness of things and in the poise and self-confidence with which one places one's self above that which might be considered unseemly.

BEAUTY Within each girl is the power to recognize and appreciate the beauty of everyday experiences. Life is filled with beauty if one is sensitive to it and eager to find it—if one's eyes are trained to see, one's ears to hear, one's heart to understand and one's mind to remember.

LOYALTY One of the most important of the Monticello Ideals is a deep-seated loyalty to the college, one's friends, one's family and one's own beliefs. This deep-seated emotion will grow through understanding, respect and love.

WISDOM As the Monticello Girl grows in academic stature she seeks to increase her ability to apply her knowledge usefully, for wisdom is the union of knowledge and understanding.

SERVICE Each of us has a distinctive personality and unique talents. The Monticello Girl considers it not only a privilege but a responsibility to share her gifts with all, thereby helping herself and others to develop to the fullest measure.

DEMOCRACY The truly democratic person interests herself in the activities of others. She seeks to understand and respect the ideals and beliefs of her associates while maintaining her own independence of thought and action.

FRIENDSHIP Many of your most cherished and lasting friendships will be made while you are at Monticello. Your college days will afford rich opportunities for making a wide circle of friends. In true friendship there is dignity, beauty, loyalty, service, democracy, and never-failing consideration.

When these ideals have become a part of you, you will have formed an understanding and appreciation of yourself and others. You will have built a strong foundation for living, and Monticello will always be a part of you, for these are the things for which this College stands.

Basketball

ANN RIPPEL *Manager*

The most popular winter sport is basketball; nearly half the student body participates in the program. For the inter-class tournament Mary Lou Tyner and Ann Rippel were co-captains of the senior team, playing against the junior team led by Barbara Bauknight and Jane Adams.

The varsity team competed with Washington University, Lindenwood, Harris Teachers College, Fontbonne, and Webster. In February the team journeyed to Jacksonville for a playday at Mac-Murray, where they also competed with teams from the University of Illinois and Milliken.

Marlin Club

GRETCHEN KENNEDY . . *President*
 BETTE DAVIS . *Secretary Treasurer*

Marlin Club, an organization open to all girls who are interested in rhythmic and synchronized swimming, had its beginning at Monticello in 1941. The Club has grown each year and at present has a membership of twenty seven girls. Tryouts for Marlin are held each fall and spring, and all girls who pass the necessary swimming skills become members.

The ninth annual Marlin Club Pageant was held on March 17 and 18. The pageant, "Dream Girl", was a student production, planned and directed by Marlin Club members under the supervision of faculty adviser, Miss Virginia Pickel.

McClure, Holbrook, Neely, Petit, McAlvin, Rogers, Engelhart, Mills, Hammer.

Softball

PEGGY HAZARD . . . *Manager*

The softball season begins early in the fall with a house tournament for the softball trophy. The Haskell team was winner. At the first sign of spring the Monticello players returned to the diamond looking forward to an inter-class tournament.

Volleyball

MARIAN STEVENSON *Manager*

One of the most popular sports at Monticello is volleyball. Offered both as a class and voluntary sport, it is a favorite all three seasons. In the fall and spring the volleyball teams move to the outside court to take advantage of the good weather.

Inter-class tournaments were played and the year was climaxed by the faculty vs. student game, the proceeds of which went to the W.S.S.F.
